

Action and No Action Alternatives

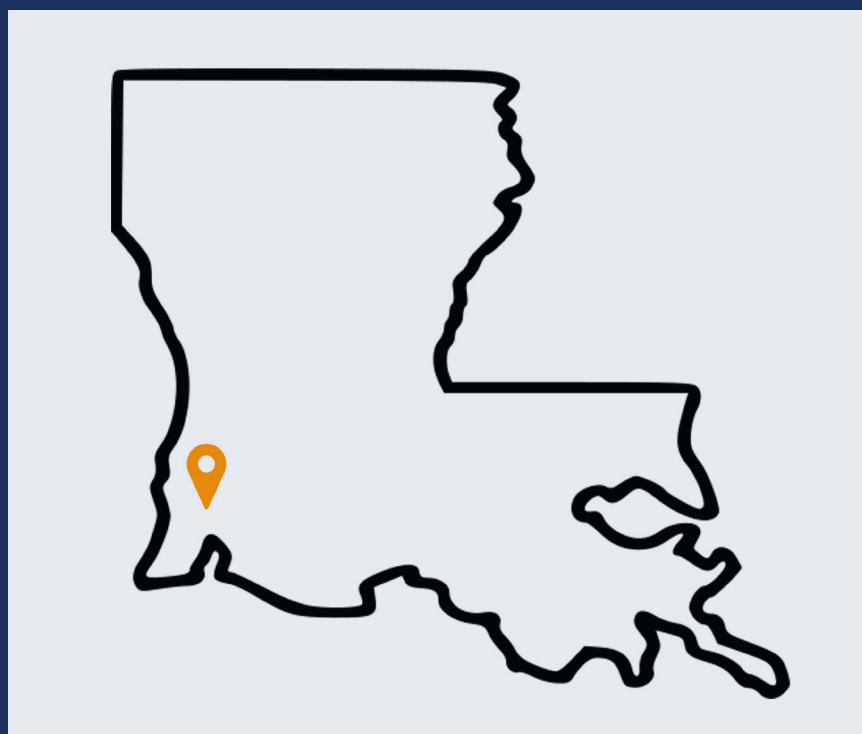

Proposed Action

To authorize the expenditure of federal funds to design, construct, operate, and maintain portions of the *Project Cypress DAC Hub* in western Louisiana.

Action Alternative 1

To authorize the expenditure of federal funds to design, construct, operate, and maintain portions of *Project Cypress Northwest* near Shreveport, LA.

Action Alternative 2

To authorize the expenditure of federal funds to design, construct, operate, and maintain portions of *Project Cypress Southwest* near Vinton, LA.

No Action Alternative

The expenditure of federal funds *would not be authorized* for the design, construction, operation, nor maintenance of any Project Cypress facilities.
