

Exhibit A
Domestic LNG Export Data Points

December 2024

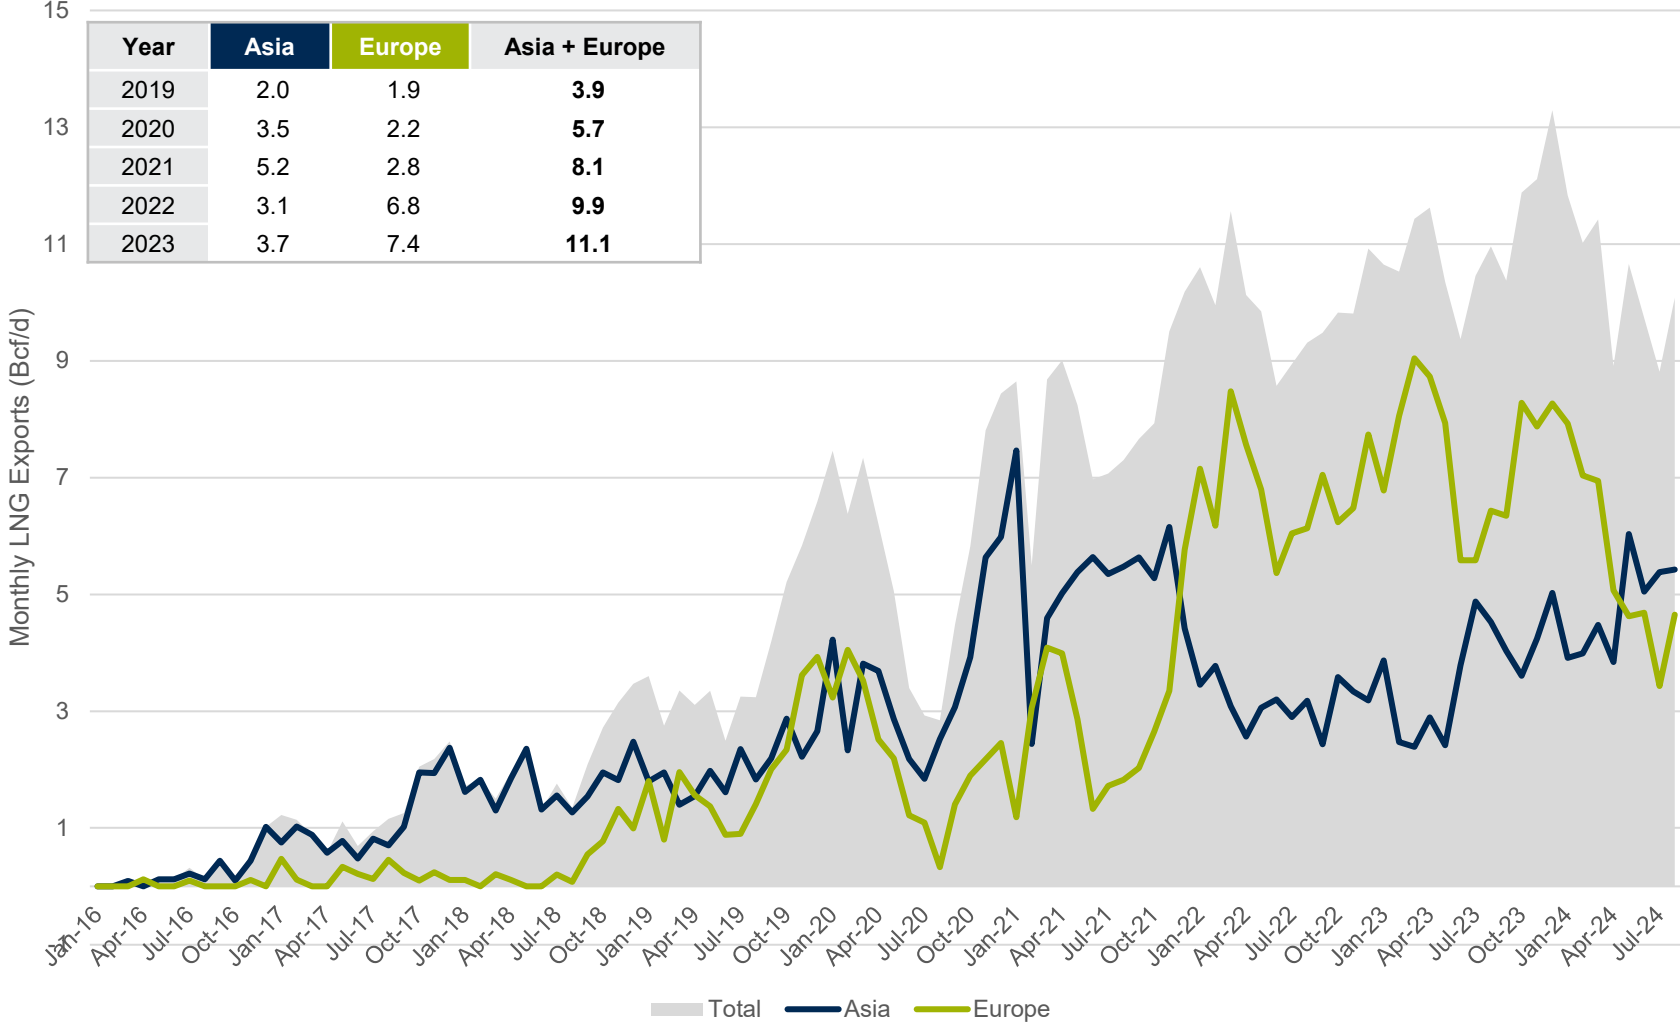

3. LNG Shipments to Europe and Asia since 2016 (Stacked Bar)
4. LNG Shipments to Europe and Asia since 2016 (Line)
5. Binding Contracts With U.S. Gulf Coast Export Projects
6. Import Terminal Additions
7. CO2 Emissions by Country
8. Global Gas Consumption
9. Global Coal Consumption
10. US, China, India Gas Consumption, Coal Consumption, and CO2 Emissions
11. US Gas Production, US Gas Exports, and Henry Hub Pricing
12. CPI Comparison (Natural Gas, Gasoline, Shelter, Healthcare, Milk, Bread)
13. Russia to Europe Pipeline Flows
14. Europe LNG Imports from Russia
15. Europe Electricity Consumption
16. Europe Electricity Breakdown

US LNG Shipments to Europe and Asia Since 2016 (Bcf/d)
