

SWEIS Alternatives

(1) No-Action; (2) Modernized Operations; (3) Expanded Operations

Approved & Proposed Projects Include:

- New facility construction projects
- Modernization/upgrade of existing facilities, infrastructure, site utilities
- Operational changes
- Decontamination, decommissioning, and demolition (DD&D)

- ① **No-Action Alternative:** Includes ongoing operations plus previously-approved projects (with separate completed NEPA documents)
- ② **Modernized Operations Alternative:** Includes No-Action Alternative plus Modernization Operations Alternative projects (NEPA analyses in this SWEIS)
- ③ **Expanded Operations Alternative:** Includes No-Action Alternative, Modernization Operations Alternative, and Expanded Operations Alternative projects (NEPA analyses in this SWEIS)

*The level of operations is not to scale because the scale depends on the resource area being evaluated.
