What is WISE?

The Huntsville WISE Gold Program is the one-stop-shop to stop burning money on home energy and have a more comfortable and healthy home, regardless of income. Home Energy Assessments scientifically pinpoint areas in your home that will benefit home efficiency improvements.

Through Nexus Energy Center and its partners, the Huntsville WISE Gold Program provides up to \$400 in rebate coupons to homeowners who install efficiency measures that result in an energy savings of at least 20%. Additionally, homeowners receive a \$350 rebate for the initial assessment if 20% energy savings are achieved. That is a total of \$750 in rebates!

Nexus offers various rebates including:

- \$220 toward the installation of R-19 fiberglass floor insulation
- \$50 toward new Energy Star rated windows
- \$210 toward attic insulation
- \$75 toward duct sealing using mastic
- \$50 toward the servicing of central HVAC equipment
- AND MANY MORE
