**Subject:** Do NOT approve the pipeline  
**Date:** Monday, February 09, 2015 1:06:01 PM

---

To Whom It May Concern,

Export contracts for natural gas are NOT in the public interest for both environmental and economic reasons. In addition, there has not been enough time to fully explore and vet this issue. Please Do NOT approve this pipeline for exported natural gas and offer more time for the public to become informed and weigh in on the issue.

Nancy Brenner
