FE DOCKET NO. 15-31-NG

ORDER GRANTING BLANKET AUTHORIZATION TO IMPORT
AND EXPORT NATURAL GAS FROM AND TO CANADA
AND VACATING PRIOR AUTHORIZATION

DOE/FE ORDER NO. 3616

MARCH 26, 2015

I. DESCRIPTION OF REQUEST

On February 18, 2015, Hartree Partners, LP (Hartree), formerly known as Hess Energy Trading Company, LLC (HETCO), filed an application with the Office of Fossil Energy (FE) of the Department of Energy (DOE) under section 3 of the Natural Gas Act (NGA)¹ for blanket authorization to import and export up to a combined total of 60 billion cubic feet (Bcf) of natural gas from and to Canada. The applicant requests the authorization be granted for a two-year term beginning on February 13, 2015. Hartree is a Delaware limited partnership with its principal place of business in New York, New York.

In the same application, Hartree notified DOE/FE of its recent corporate name change from HETCO to Hartree. In light of this name change, Hartree asks DOE/FE to vacate HETCO's existing authorization in DOE/FE Order No. 3490 (FE Docket No. 14-109-NG), which authorizes HETCO to import and export natural gas from and to Canada for a two-year term which began on September 24, 2014, and extends through September 23, 2016. Hartree asks DOE/FE to vacate Order No. 3490 effective February 13, 2015, the same day that Hartree's requested authorization goes into effect.

II. FINDING

The application has been evaluated to determine if the proposed import and/or export arrangement meets the public interest requirement of section 3 of the NGA, as amended by section 201 of the Energy Policy Act of 1992 (Pub. L. 102-486). Under section 3(c), the import and export of natural gas, including liquefied natural gas (LNG), from and to a nation with which there is in effect a free trade agreement requiring national treatment for trade in natural gas and the import of LNG from other international sources are deemed to be consistent with the public

¹ The authority to regulate the imports and exports of natural gas, including liquefied natural gas, under section 3 of the NGA (15 U.S.C. § 717b) has been delegated to the Assistant Secretary for FE in Redelegation Order No. 00-006.02F issued on November 17, 2014.

interest, and applications for such imports and exports must be granted without modification or delay. The authorization sought by Hartree to import and export natural gas from and to Canada, a nation with which a free trade agreement is in effect, meets the section 3(c) criterion and, therefore, is consistent with the public interest. This Order authorizes transactions with terms of no longer than two years.

ORDER

Pursuant to section 3 of the NGA, it is ordered that:

A. Hartree is authorized to import and export up to a combined total of 60 Bcf of natural gas from and to Canada, pursuant to transactions that have terms of no longer than two years. C. **Monthly Reports:** With respect to the natural gas imports and exports authorized by this Order, Hartree shall file with the Office of Oil and Gas Global Security and Supply, within 30 days following the last day of each calendar month, a report indicating whether imports or exports of natural gas have been made. Monthly reports must be filed whether or not initial deliveries have begun. If no imports and/or exports have been made, a report of “no activity” for that month must be filed. or actual duration of the supply agreement(s); and (9) for imports, the geographic market(s) served (list State(s), U.S. Census Region(s), or general U.S. geographic area(s)).

(Approved by the Office of Management and Budget under OMB Control No. 1901-0294)

D. The first monthly report required by this Order is due not later than April 30, 2015, and should cover the reporting period from February 13, 2015, through March 31, 2015.

E. All monthly report filings shall be made to U.S. Department of Energy (FE-34), Office of Fossil Energy, Office of Oil and Gas Global Security and Supply, P.O.
