DOE/FE ORDER NO. 3829

ERRATA

1. Changes to Paragraph 2 of Section I of DOE/FE Order No. 3829 (Order 3829 or Order), issued on May 20, 2016, in the above-referenced docket (Order) are hereby made:

Delete:

DOE/FE received no responses to the Notice of Application. Consequently, the portion of the Application dealing with proposed exports to non-FTA countries is uncontested.

Replace with:

In response to the Notice of Application, DOE/FE received a motion to intervene with comments in support of granting the Application from the American Petroleum Institute (API).

2. A new sub-section D is added to Section VII of the Order, to read as follows:

D. Procedural Issues – API’s Motion to Intervene

No opposition has been filed in response to the motion to intervene submitted in these proceedings by API. Consequently, that motion to intervene is deemed granted. 10 C.F.R. § 590.303(g).

3. The subsections of Section VII of the Order are re-numbered in the Table of Contents and in the text of the Order to reflect the addition of the new subsection D, so that they are numbered as follows:

- A. Non-Environmental Issues
- B. Environmental Issues – Issuance of a Categorical Exclusion
- C. Environmental Impacts Associated with the Induced Production of Natural Gas
- D. Procedural Issues – API’s Motion to Intervene
- E. Other Considerations
- F. Conclusion

All other portions of Order No. 3829 remain unchanged.

Issued in Washington, D.C., on June 6, 2016.
