The applicant requests the authorization be granted for a two-year term beginning on September 26, 2016.² Sequent supplemented its application via e-mail on October 24, 2016, stating that “Sequent is requesting authority to import and export natural gas from and to Mexico.” In that e-mail, Sequent also “requests a retroactive effective date of September 26, 2016.”³ Sequent is a Georgia limited partnership with its principal place of business in Houston, Texas.
