ORDER GRANTING REQUEST FOR REHEARING
FOR THE PURPOSE OF FURTHER CONSIDERATION

JULY 28, 2017

On June 1, 2017, the U.S. Department of Energy, Office of Fossil Energy (DOE/FE), issued an opinion and order to Delfin LNG, LLC (Delfin), captioned DOE/FE Order No. 4028, authorizing the export of liquefied natural gas (LNG) by vessel from a proposed floating liquefaction project and deepwater port to be located 30 miles offshore of Louisiana.¹ DOE/FE authorized Delfin to export the requested volume of LNG to any countries with which the United States has not entered into a free trade agreement (FTA) requiring national treatment for trade in natural gas, and with which trade is not prohibited by U.S. law or policy (non-FTA nations).

Subsequently, on July 3, 2017, intervenor-protestor Sierra Club submitted a Request for Rehearing of DOE/FE Order No. 4028.

In order to afford additional time for consideration of the matters raised in Sierra Club's Request for Rehearing, rehearing is hereby granted for the limited purpose of further consideration. Accordingly, Sierra Club's Request for Rehearing will not be deemed denied by operation of law pursuant to DOE regulations. 10 C.F.R. § 590.504.

Issued in Washington, D.C., on July 28, 2017.
