## PUBLIC COMMENT ON FEDERAL REGISTER

I DO NOT THINK THIS SHOULD BE ALLOWED. THIS LOOKS LIKE PRICE FIXING. THE RUMOR IS THAT GAS PRICES WILL GO WAY WAY UP THIS SUMMER. AND THAT IS COINCIDENTAL WITH THIS SHIPPING OF MAJOR AMOUNTS OF GAS OUT OF THIS COUNTRY. THIS APPEARS TO BE PROFITEERING TO SQUEEZE THE CITIZENS OF THE USA. WE SHOULD NOT AT ANY TIME ALLOW THAT KIND OF IMPROPER PRICE FIXING TO GO ON. THIS COMMENT IS FOR THE PUBCLI RECORD. PLEASE RECEIPT.JEANPUBLIEE JEAN [PUBLIC1@GMAIL.COM](mailto:PUBLIC1@GMAIL.COM)

DEPARTMENT OF ENERGY

[FE Docket No. 18-35-LNG]

Sabine Pass Liquefaction, LLC; Application for Blanket Authorization To Export Previously Imported Liquefied Natural Gas on a Short-Term Basis

AGENCY: Office of Fossil Energy, DOE.

ACTION: Notice of application.

-----

SUMMARY: The Office of Fossil Energy (FE) of the Department of Energy (DOE) gives notice of receipt of an application (Application), filed on March 23, 2018, by Sabine Pass Liquefaction, LLC (SPL), requesting blanket authorization to export liquefied natural gas (LNG) previously imported into the United States from foreign sources in an amount up to the equivalent of 500 billion cubic feet (Bcf) of natural gas on a short-term or spot market basis for a two-year period commencing on June 7, 2018. SPL states that the existing blanket re-export authorization of its affiliate, Cheniere Marketing, LLC, set forth in

DOE/FE Order No. 3825 (May 26, 2016) is scheduled to expire on June 6, 2018. SPL seeks authorization to export the LNG from the Sabine Pass LNG Terminal owned by Sabine Pass LNG, L.P. and located in Cameron Parish, Louisiana, to any country with the capacity to import LNG via ocean-going carrier and with which trade is not prohibited by U.S. law or policy. SPL states that it does not seek authorization to export any domestically produced natural gas or LNG. SPL is requesting this authorization on its own behalf and as agent for other parties who hold title to the LNG at the time of export. The Application was filed under section 3 of the Natural Gas Act (NGA). Additional details can be found in SPL's Application, posted on the DOE/FE website at: <https://www.energy.gov/sites/prod/files/2018/04/f50/18-35-LNG.pdf>. Protests, motions to intervene, notices of intervention, and written comments are invited.

**DATES:** Protests, motions to intervene or notices of intervention, as applicable, requests for additional procedures, and written comments are to be filed using procedures detailed in the Public Comment Procedures section no later than 4:30 p.m., Eastern time, May 17, 2018.

Cassandra Bernstein or R.J. Colwell, U.S. Department of Energy Office of the Assistant General Counsel for Electricity and Fossil Energy, Forrestal Building, Room 6D-033, 1000 Independence Ave. SW, Washington, DC 20585, (202) 586-9793 or 586-8499.

**SUPPLEMENTARY INFORMATION:**

**DOE/FE Evaluation**

The Application will be reviewed pursuant to section 3 of the NGA, 15 U.S.C. 717b. In reviewing this Application, DOE will consider domestic need for the gas, as well as any other issues determined to be

appropriate, including whether the arrangement is consistent with DOE's policy of promoting competition in the marketplace by allowing commercial parties to freely negotiate their own trade arrangements. Parties that may oppose this application should comment in their responses on these issues.

The National Environmental Policy Act (NEPA), 42 U.S.C. 4321 et seq., requires DOE to give appropriate consideration to the environmental effects of its proposed decisions. No final decision will be issued in this proceeding until DOE has met its NEPA responsibilities.

#### Public Comment Procedures

In response to this Notice, any person may file a protest, comments, or a motion to intervene or notice of intervention, as applicable. Interested parties will be provided 30 days from the date of publication of this Notice in which to submit comments, protests, motions to intervene, or notices of intervention.

Any person wishing to become a party to the proceeding must file a motion to intervene or notice of intervention. The filing of comments or a protest with respect to the Application will not serve to make the commenter or protestant a party to the proceeding, although protests and comments received from persons who are not parties will be considered in determining the appropriate action to be taken on the Application. All protests, comments, motions to intervene, or notices of intervention must meet the requirements specified by the regulations in 10 CFR part 590.

Filings may be submitted using one of the following methods: (1) Emailing the filing to [fergas@hq.doe.gov](mailto:fergas@hq.doe.gov), with FE Docket No. 18-35-LNG in the title line; (2) mailing an original and three paper copies of the filing to the Office of Regulation and International Engagement at the address listed in ADDRESSES; or (3) hand delivering an original and three paper copies of the filing to the Office of Regulation and International Engagement at the address listed in ADDRESSES. All filings must include a reference to FE Docket No. 18-35-LNG. Please Note: If submitting a filing via email, please include all related documents and attachments (e.g., exhibits) in the original email correspondence. Please do not include any active hyperlinks or password protection in any of the documents or attachments related to the filing. All electronic filings submitted to DOE must follow these guidelines to ensure that all documents are filed in a timely manner. Any hardcopy filing submitted greater in length than 50 pages must also include, at the time of the filing, a digital copy on disk of the entire submission.

A decisional record on the Application will be developed through responses to this notice by parties, including the parties' written comments and replies thereto. Additional procedures will be used as necessary to achieve a complete understanding of the facts and issues. If an additional procedure is scheduled, notice will be provided to all parties. If no party requests additional procedures, a final Opinion

and Order may be issued based on the official record, including the Application and responses filed by parties pursuant to this notice, in accordance with 10 CFR 590.316.

The Application is available for inspection and copying in the Office of Regulation and International Engagement docket room, Room 3E-042, 1000 Independence Avenue SW, Washington, DC 20585. The docket room is open between the hours of 8:00 a.m. and 4:30 p.m., Monday through Friday, except Federal holidays. The Application and any filed protests, motions to intervene or notice of interventions, and comments will also be available electronically by going to the following DOE/FE Web address: <http://www.fe.doe.gov/programs/gasregulation/index.html>.

Issued in Washington, DC, on April 11, 2018.

Robert Smith,

Deputy Assistant Secretary for Oil and Natural Gas (Acting).
