ORDER VACATING AUTHORIZATION TO
IMPORT NATURAL GAS FROM CANADA

DOE/FE ORDER NO. 3979-A

On February 10, 2017, the Office of Fossil Energy (FE) of the Department of Energy (DOE) granted blanket authorization to Steppe Petroleum USA Inc. in DOE/FE Order No. 3979 to import up to 1 billion cubic feet of natural gas from Canada over a two-year term beginning on February 10, 2017, and extending through February 9, 2019.

On September 7, 2018, Steppe Petroleum USA Inc. notified DOE/FE that it no longer needs the current blanket authorization and therefore requests that DOE/FE vacate Order No. 3979, effective August 1, 2018. DOE/FE finds good cause to do so.

Accordingly, pursuant to section 3 of the Natural Gas Act, the authorization to import natural gas from Canada granted to Steppe Petroleum USA Inc. in DOE/FE Order No. 3979 is hereby vacated, effective August 1, 2018.

Issued in Washington, D.C., on September 16, 2018.

Amy R. Sweeney
Director, Division of Natural Gas Regulation
