**RE: Registration of MC Global Gas Corporation as Exporter of LNG from Cameron LNG, LLC
Liquefaction Facility**

Dear Ms. Sweeney:

MC Global Gas Corporation has executed a long-term Liquefaction and Regasification Tolling Agreement with Cameron LNG, LLC ("Cameron") for service at Cameron's Liquefaction Project currently under construction in Hackberry, Louisiana.¹ Cameron holds several export authorizations ("Export Authorizations") that have been granted by the Department of Energy, Office of Fossil Energy ("DOE/FE").² Under the Export Authorizations, Cameron may export LNG as agent for other entities after the other entities are registered with DOE/FE. MC Global Gas Corporation will export domestically-produced LNG from the Cameron Liquefaction Project once commercial operations commence.

Pursuant to the Export Authorizations, MC Global Gas Corporation is supplying herewith its registration information to the Department of Energy's Office of Fossil Energy, Office of Regulation, Analysis and Engagement.

Please contact the undersigned concerning any questions or additional company registration information that may be required. Thank you.

Sincerely,

/s/ Blair Woodward
