ORDER VACATING AUTHORIZATION TO
EXPORT NATURAL GAS TO CANADA

DOE/FE ORDER NO. 4225-A

On August 03, 2018, the Office of Fossil Energy (FE) of the Department of Energy (DOE) granted blanket authorization to EdgeMarc Energy Pennsylvania, LLC in DOE/FE Order No. 4225 to export up to 8 billion cubic feet of natural gas to Canada via pipeline over a two-year term beginning on June 1, 2018, and extending through May 31, 2020.

On June 18, 2019, EdgeMarc Energy Pennsylvania, LLC, notified DOE/FE that it no longer needs the current blanket authorization and therefore requests that DOE/FE vacate Order No. 4225, effective April 30, 2019.¹ DOE/FE finds good cause to do so.

¹ See email from Michael Henning, Charter Brokerage, LLC to DOE/FE (Jun. 18, 2019).

Accordingly, pursuant to section 3 of the Natural Gas Act, the authorization to export natural gas to Canada granted to EdgeMarc Energy Pennsylvania, LLC in DOE/FE Order No. 4225 is hereby vacated, effective April 30, 2019.

Issued in Washington, D.C., on July 25, 2019.
