Hi Amy-
Thanks for your voice message. Makes perfect sense regarding the date, and certainly fine to move the requested effective date for the new authorization back one day.
Thanks for your attention to the filing. Hope you are enjoying the holidays and some time off.
Happy New Year!

Patrick

Subject: [EXTERNAL] Dominion Energy Cove Point LNG Blanket Export Application, Docket No. 20 - ___ - LNG
Importance: High

Greetings-

Please find attached for filing a new application of Dominion Energy Cove Point LNG, LP (DECP) for short-term, blanket authorization to export liquefied natural gas. The application essentially seeks to duplicate the terms of its existing blanket authorization issued in DOE/FE Order No. 4046, which will

expire on March 2, 2020. As explained in the cover letter, we are also sending a hard-copy of the Application to you by express mail for delivery on Monday, and the check for the filing fee is included with that mailed copy (though a photo-copy of the check is also included here).

Please feel free to contact me as counsel for Cove Point if you have any questions about this Application or need further information. Thank you for your assistance with this filing.

Happy Holidays and have Great New Year.

Regards,

J. Patrick Nevins
