Okay, so a couple hundred thousand Americans are infected with Covid-19, and tens of thousands have died. But let's get to the big stuff. President Trump is really looking forward to resuming his hate rallies: "I will say this: The rallies that we were having -- until we had to stop, with regard to the problem that we had here -- the rallies were bigger than they were -- I think even substantially bigger. We'd go into the biggest arena and we'd turn away 20-, 30,000 people sometimes. In -- in one case, I think they said, in New Jersey, we had 175,000 people show up for an arena that holds 9,000 people. And they showed up. And the reporters even reported that. That was almost shocking to me. But I hope we can resume rallies because I think they're an important part of politics, actually. Yeah." - President Trump It goes without saying that the rallies were perfect. Like the broken tests were perfect, and like the shakedown call was perfect. Simp. *🇺🇸
